

Sarkari Sathi - User Guide

Your daily companion to a Sarkari Naukri · Built by Pranay

This application is made by **Pranay** for **government exam aspirants** in India. Sarkari Sathi brings everything you need for **Banking (SBI, IBPS, RRB)**, **RBI, SSC, Railways (RRB)**, **Insurance (LIC, NIACL)** and **Intelligence/Police (IB, SSC GD/CPO)** exams into one free app: full mock tests with the real marking scheme, previous-year pattern papers, cut-offs, a syllabus tracker, a study planner with official exam dates, phone notifications and an AI help assistant. Open it at

sarkari-sathi-blue.vercel.app

1 Open & install the app

Tap **Install app** in the top bar. **Android:** confirm Install (or Chrome : → Install app). **iPhone:** Safari → Share → Add to Home Screen. **Laptop:** install icon in Chrome/Edge address bar.

2 Create your account

Sign up free with your name, email, password, category (for cut-off comparison), target exams (first = primary) and daily study goal in hours.

3 Your Dashboard

Greets you by name; shows the daily goal ring, streak & XP, exam countdowns, readiness %, the coach's next steps, today's plan and **upcoming official exam dates**.

4 Take a mock test

Mock Tests → choose exam → Full mock, Fresh random mock, **PYP-pattern paper (2016-2025)** or Sectional test. Real timing, sections and negative marking.

5 Use the test screen

Palette: **green** answered, **red** not answered, **grey** not visited, **purple** marked. Keys 1-5, N, P, M. Sections lock in sectional exams. Answers autosave.

6 Read your report

Score vs cut-off, **seconds on every question vs ideal time**, time sinks, rushed guesses, marks lost to negative marking, topic accuracy, solutions & bookmarks.

7 Practise every day

Practice → Daily Challenge (12 Qs, keeps the streak) and 15-question topic tests. Weak topics (<60%) are flagged automatically.

8 Track the syllabus

Syllabus Tracker: set each of 56 topics to Learning / Revising / Mastered. Open a topic for notes, formulas, shortcut tricks and solved examples.

9 Plan with the calendar

Study Planner: add timed tasks or **Auto-generate** a day-by-day plan till your exam (topics, mocks/day, Sunday revision). Official exam dates are pre-marked.

10 Turn on notifications

Notifications or **Profile** → Turn on. Get a **morning plan (~6-7 AM IST)** and a reminder when each task starts. iPhone: install the app first.

11 Ask Sathi (AI help)

Tap **Ask Sathi** (bottom-right) on any page for help using the app – install, notifications, reports, planner, exam dates.

12 More tools

Exam Explorer, Cut-offs, Analytics, GK Flashcards, Tips & Tricks, Focus timer, dark/light theme (moon icon) and **Profile** for exams, dates & goal.

Negative marking used in mocks

Exams	Per wrong answer
SBI / IBPS / RBI / LIC / NIACL, IB ACIO, SSC CPO	–¼ of the question's mark
SSC CGL, SSC CHSL (2 marks each)	–0.50
SSC GD (2 marks each)	–0.25
SSC MTS (3 marks each)	Session 1: none · Session 2: –1
RRB NTPC, Group D, ALP, JE	–⅓ mark

Tips for best results

- One full mock a day; analyse it for as long as you took it.
- Skip a question after ~1.5× the ideal time; return later.
- Guess only when you can eliminate two options.
- Keep the Syllabus Tracker updated so your plan and readiness stay accurate.
- Exam dates appear only when IBPS / SSC / RRB announce them; cut-offs come from official results – always confirm on the official website.
